EVOLUTION THROUGH

Spring / Summer Trends...

THIS SEASON THE MESSAGE IS LOUD AND CLEAR...THE HAIRCUT IS BIG!! The emphasis is on health and full on gloss, keep layering to a minimum so the overall look is heavy with blunt ends and a strong fringe, compliment your cut by having a luxurious deep colour with hidden depth and tone or add a subtle flash of bronzy gold to your new blunt cut fringe! For the more adventurous, how about using this seasons acid neon colours to brighten up your hair? – Whatever you decide it's all about expressing yourself not just being another celebrity clone!

Product of the month...

SEA SALT SPRAY

Made with Sea Salt, Algae and Aquatic extracts to thicken and texturize – perfect for creating movement and body, it will add texture to this seasons blunt cut

TEAM NEW'S...

The team at Essensuals Bath is expanding! Back by popular demand, we now have Hayley Evans (Creative Director) & Rachel Thomas (Premier Stylist) working in the salon, both very experienced hairdressers have been working for the company all over the world in the last 2 years and have gained valuable experience, they are now settled back in Bath much to the delight of their loyal clients who have been waiting for their return! Simon Taras-Antoniw (stylist) is the newest edition to our team, flying through the notoriously hard training system he is now a valued team member and brings enthusiasm and fresh ideas to the salon.
