

## Dear Clients

Welcome to June's issue of the Newsletter where you can get the latest tips each month on what product to use and how to style your hair and all the latest team news. I hope you enjoy it.

Catherine & The Team x

**Bobs and fringes are huge this summer as worn by Alexa Chung**

## Texting

We now have a new system that allows us to text you, we can now text you to remind you of your appointments and also any offers or promotions, we have already started texting and would like to hear your feedback, or if you are not down to receive texts then let us know if you do.

## Product of the month

**Keep your head cool this summer with our peppermint treatment. It increases blood flow to the scalp and really wakes you up!!**

## TEAM NEWS

**This month Stacy and Hayley Roberts have both been promoted, They did their presentation on Saturday for their promotion, and Stacy is now a Senior Technician and Hayley is now a senior Stylist, So well done they both have been working very hard for their promotion.**

## Shampoo plus

When you come in for your appointment why not ask for 1 of our shampoo plus at the desk, it is a deep conditioning treatment that lasts up to 6 weeks to strengthen weak or damaged hair and is only £10 and will be put on for you at the basin.

## ghd IV

We now have the newest and latest ghd IV, dark black and pure white. It's so easy to create new styles and not have the same look. It has improved temperature control for even better styling and the ultimate styling surface for the smoothest static-free shine. You also get a case for your ghd's so no more scratches or scuff marks and also a DVD on how to use and style your hair all this for only £135
